

# NEW MEXICO OPERATIONS VISITOR'S GUIDE

Our New Mexico Operations—part of the Kansas City National Security Campus—focuses on custom electrical and mechanical components and systems. Included in that mission is secure transportation, secure communication, field training support, mission applications, training, and technical documentation. National security services is another mission focus for NMO, which includes emergency response support, asset security support, and force-on-force support.

We're looking forward to your visit to the Department of Energy's Kansas City National Security Campus, New Mexico Operations. Here are details and materials to help you prepare for your visit.

## Getting Here

KCNSC NMO is located about 2 miles north of the [Albuquerque International Sunport \(ABQ\)](#) airport. Several rental car agencies are available at the airport. [Albuquerque Area Google Maps](#)

## Security Protocols

Please be aware that all visitors **must** be U.S. Citizens and present valid photo ID. If visitors are from states that are not compliant with the Real ID Act, they must present a second form of ID: military ID, a U.S. passport or other photo ID issued by a local or state government entity. If second form of ID is not available, the individual must either be denied entry or escorted by someone at all times. More information can be found at: <http://www.dhs.gov/real-id-public-faqs>

***Please note that video, image and audio recording is NOT allowed at the campus without Security approval. There are limited number of self-serve lockers to hold control items, such as mobile phones.***

If you already have a HSPD-12/PIV badge from another DOE/NNSA site, you may pre-register for site access: <https://fmt.kcp.com/vrac/visitor/prereg/ssnauth/infoemail>

## ATTIRE

As you may be walking to other buildings during your visit, we encourage you to wear comfortable footwear. If you enter the manufacturing areas, please note that open-toed shoes or heels more than 2 inches are not permitted. Also, long pants and breakaway lanyards are required in the manufacturing areas.

## HOTELS

Albuquerque offers many choices for lodging during your stay. Check out [Visit Albuquerque](#) for a listing.

## RESTAURANTS

The official New Mexico state question is, “Red or Green?” referring to red or green chile when ordering New Mexican cuisine. When people think of Albuquerque, most think of Mexican food specialties. Albuquerque offers many great dining options to both residents and visitors. One of the best resources we have found is the Visit Albuquerque site, [www.visitalbuquerque.org/restaurants](http://www.visitalbuquerque.org/restaurants).

A favorite among employees is [Cervantes](#), located at 5801 Gibson Boulevard Southeast, ABQ, NM 87108, 505-262-2253.

## THINGS TO DO

From balloon rides over the Rio Grande to outdoor activities in the Sandia Mountains to the historical significance of Old Town, there’s always something to do in Albuquerque! Check out [visitalbuquerque.org](http://visitalbuquerque.org) for more info.

A favorite nearby attraction is the [National Museum of Nuclear Science & History](#), which is dedicated to STEM education and the preservation of our national atomic history.
