

Our New Mexico Operations—part of the Kansas City National Security Campus—focuses on custom electrical and mechanical components and systems. Included in that mission is secure transportation, secure communication, field training support, mission applications, training, and technical documentation. National security services is another mission focus for NMO, which includes emergency response support, asset security support, and force-on-force support.

## WELCOME

We're looking forward to your visit to the Department of Energy's Kansas City National Security Campus New Mexico Operations. Here are details and materials to help you prepare for your visit.

## GETTING HERE

KCNSC NMO is located about 2 miles north of the [Albuquerque International Sunport \(ABQ\)](#). Rental car agencies are available at the airport. [Albuquerque Area Google Maps](#)

Our main building address is  
**2445 Alamo Ave SE**  
**Albuquerque, NM 87106**

## PARKING

Visitor parking is identified by the green shading on the attached map. The entrance to Alamo—our main building—is on the west side. The map also identifies the other buildings that make up our campus.

## SECURITY

Please be aware that all visitors **must** be U.S. Citizens and present valid photo ID. If visitors are from states that are not compliant with the Real ID Act, they must present a second form of ID: military ID, a U.S. passport or other photo ID issued by a local or state government entity. If second form of ID is not available, the individual must either be denied entry or escorted by someone at all times. More information can be found at: <http://www.dhs.gov/real-id-public-faqs>

*Please note that video, image and audio recording is NOT allowed at the Kansas City National Security Campus New Mexico Operations without Security approval.*

There are a limited number of self-serve lockers to hold controlled items such as cell phones.

If you already have an HSPD-12/PIV badge from another DOE/NNSA site, you may pre-register for access to the KCNCS NMO at:

## HOTELS

Albuquerque offers many choices for lodging during your stay. Check out [www.visitalbuquerque.org/hotels](http://www.visitalbuquerque.org/hotels) for a listing.

## RESTAURANTS

Albuquerque offers many great dining options to both residents and visitors. One of the best resources we have found is the Visit Albuquerque site, [www.visitalbuquerque.org/restaurants](http://www.visitalbuquerque.org/restaurants).

When people think of Albuquerque, most think of Mexican food specialties. A common question asked of first-time visitors is, "Red or green?" Chile, that is. A favorite among employees is [Cervantes](#), located at 5801 Gibson Boulevard Southeast, ABQ, NM 87108, 505-262-2253.

## THINGS TO DO

From balloon rides over the Rio Grande to outdoor activities in the Sandia Mountains to the historical significance of Old Town, there's always something to do in Albuquerque! Check out [visitalbuquerque.org](http://visitalbuquerque.org) for more info.

The Department of Energy's Kansas City National Security Campus is operated and managed by Honeywell Federal Manufacturing & Technologies, LLC under contract number DE-NA0002839
