Honeywell

SHAPE YOUR FUTURE

Honeywell is a great place to begin (and end) your career. Our internships provide an innovative, hands-on experience giving an opportunity to develop skills all while supporting our national security mission. As an intern, you'll work on projects tied to Honeywell's business priorities and gain exposure to leaders. You'll start your career tackling meaningful challenges, delivering on customer commitments and getting priceless real-world experience!

WHY INTERN AT HONEYWELL?

Whether you're in school or graduating, you will be a pivotal part of our team. Guided by mentors, you'll work on your own projects and gain professional skills and experiences to last a lifetime.

Work hard, play hard! You'll have access to numerous intern events.

BENEFITS

Community Outreach Opportunities

Housing stipend – eligible if you reside 50+ miles between home or school from the assigned work location

Competitive Compensation

Networking & mentorship opportunities with senior leaders

Over 70% of eligible interns convert to full-time employees

Flexible work schedule

Diversity – there's no doubt that diversity in the workplace works. We partner with Minority Serving Institutions Partnership Program (MSIPP), Black Achievers Society and have multiple Employee Resource Groups (ERGs) to ensure employees are treated fairly regardless of race, gender, age, ethnic background, disability, sexual orientation, or other differences

Fun intern events – network with other interns and make long-lasting relationships
